

Senior Sugar Beet Breeder (m/w/d)

Ort: Schlanstedt
Vollzeit
festangestellt

Our profile

Strube D&S GmbH is one of the leading international companies in the area of plant breeding and seed provider based in Germany. Today, Strube breeds sugar beet, wheat and distributes seeds for sunflowers, chickpeas and soybean in more than 40 countries.

The company's research and development departments use state-of-the-art technologies to ensure a high-performance and highly innovative product range.

For our research & development team sugar beet, we are looking for someone to work full-time (40 hours/week) for our headquarters in Schlanstedt as soon as possible:

Senior Sugar Beet Breeder (m/w/d)

Your tasks

- Develop, plan and optimise sugar beet breeding programs
- Lead specific breeding programs
- Collect and analyse phenotypic and genotypic data for selection
- Evaluate and develop breeding schemes
- Active contribution in the hybrid development team and selection of hybrids for official variety testing
- Lead and develop a high performing and innovative breeders team in line with our values
- Take an active role in our international R&D team to transform our breeding strategy in reality
- Lead internal projects across departments
- Initiate and supervise external research projects
- Close contact and collaboration to stakeholders in the sugar beet business

Your profile

- PhD in agricultural science, plant breeding, or closely related fields
- Sound experience in plant breeding
- Familiar with quantitative genetics and statistics
- Profound experience in project management and team leading
- Team player and excellent communication skills
- Able to work in a team environment with a strong sense of analysis and development
- Efficient, organised and pragmatic, you are proactive, foresighted and resultoriented
- Your excellent organisation allows you to manage a wide range of projects with multiple stakeholders
- Good interpersonal skills to meet and collaborate with stakeholders
- Frequent international travels, ca. 30% of your time
- Familiar with the use of MS Office and data base programs
- Very good language skills of English, German as plus with the interest in learning other languages
- Driving license of type B
